Volvo P1800

(Jensen West Bromwich, England Built)

This is a very rare Jensen of West Bromwich, England built P1800. 6000 P1800's were built between 1961 and 1963. Only around 15 of these cars are believed to be still on the road in UK today.

The most famous Volvo P1800 was driven by Roger Moore (alias 'Simon Templar') in the TV Series 'The Saint'. The original TV Saint Car - 71 DXC a 1962 P1800, which is currently undergoing a full restoration is owned by a Club Member. Any information on this car would be most welcomed.
